

Hi Journey family

Holidays are here and it's a great time for hard working people to have a break. We want to stay connected and care for each other during this time while giving some key pastoral leaders a 'break' for much needed recreation.

July 2010 School Holidays

Craig McGlone will be back on Wednesday July 14
Andy Hogarth is on leave until July 26

It is unusual for both Craig and Andy to be away for the same week but for several reasons this has occurred this time.

Our hard working children, youth and small groups' ministry staff are on ministry contacts for 40 weeks of the year. They do much more than that but where possible we want to care for them by not contacting them during holidays.

Elders on Duty

Date: July 5-10 2010

Paul Dutton (contact office 8251 7149 if needed)
Heather Cortis (contact office 8251 7149 if needed)

Date: July 12-18

Kerry Mountford (contact office 8251 7149 if needed)
Kirsten Macaitis (contact office 8251 7149 if needed)

Fortunately the "body of Christ" still is at work and care is not centred on a few select people. Here's some ways care can happen.

Urgent needs:

Contact our elder on duty / contact the office during office hours
A minister is also available for funerals and severe crisis situations. David Hoffman at Golden Grove Uniting is available on 8251 4298 (office)

Important needs:

Our elder on duty can help as can your small group leader. Contact them through the office.

Other needs:

Questions about ministry programs, needs better met by an agency, important but non urgent pastoral concerns are best dealt with during term time or by contact with the relevant agency.

Each Sunday has a point leader and these people can help you on the day.
