

ICONS

Individual Characters Of Noble Substance

-noun

1. a sign or representation that stands for its object by virtue of a resemblance or analogy to it.
2. *Eastern Church*. a representation of some sacred personage, as Christ or a saint or angel, painted usually on a wood surface and venerated itself as sacred.
3. a Journey UC youth group for years 10-12 that lives for Jesus and lives to show others the way, the truth and the life.
